INFORMATION LETTER

Dear colleagues!

We invite you to the practical conference “**Supervision as an instrument of professional development of the experts, who work with psychotrauma**”, which will be held on **February 1-3, 2019**.

The conference was entered into the register of scientific, scientific and technical symposiums, congresses, conferences, seminars, meetings in Ukraine UkrINTEI.

The conference will address the following issues:

1. The history of supervision development.
2. Supervision contribution into support of professional standards and experts development.
3. The forms of supervision.
4. Basic theories, processes, methods and techniques of individual supervision.
5. Supervision as an approach of professional burnout of experts, who work with psychotrauma.

Aim of the conference - give the professional support to experts, who work with psychotrauma, activate the implementation of theoretical conceptions and methods of supervision.

Within the framework of the conference there will be a round-table conference “The development of supervision in Ukraine: interdepartmental approach, perspective, problems”, workshop “Individual supervision: aims, philosophy, methods and techniques”, individual educational supervisions.
