The Administrator,
Medical faculty website,
V.N Karazin University.

Dear Sir/Madam,

AMSA OPHTHAMOLOGY CONFERENCE

The aforementioned Association wishes to use the medical website for publication of notice for our upcoming coming ***“Ophthalmology conference & workshop”*** titled healthy eye, healthy vision.

The aim of this conference is all about ophthalmology, recent discoveries and seminal topics on ophthalmology. Also it will be discussing the significance of ophthalmology in modern day medicine, and why medical student needs to take it serious and see it as an interesting and carrier driving part of medicine.

We've also got an Associate Professor of Ophthalmology in Karazin University as a guest; **Dr. Inesa O. Ishkova** of the department of Ophthalmology

Sequel to the above, we're inviting every medical student to come partake in the conference & workshop either as an active participant or passive participant.

During this day, we'll do the following;

- Oral Presentations of topics by the active participants
- Abstracts delivery
- Workshop
- Free eye examination for all participants
- Certification etc.
